

A Family Tradition

with a new perspective

2018 Rosé

Paso Robles

Composition:

81% Syrah
10% Grenache
9% Carignane

Cooperage:

Stainless Steel

Tasting Notes:

The Syrah, Grenache and Carignane grapes are hung for the intention of whole cluster pressing for Rose. Just a couple hours of skin contact ensures a salmony pink Rose coloring and just a hint of body structure from skin tannins. Light in body and crisp in texture from the stainless steel fermentation and aging. A perfect Summer accompaniment.

The Grenache and Carignane you can watch ripen on the Estate Vineyard and the Syrah comes from our family owned Vineyard in the El Pomar AVA.

Production:

1200 Cases

Alcohol:

13.2%
